What happens if I cannot be present for my AP College Board exam on the regularly scheduled date?

If you are unable to take your AP test on the day of the scheduled exam, due to athletic contests, (i.e. State Track Meet, etc.), illness, or other extenuating circumstances, you are responsible for emailing/contacting Mrs. Jane Luehtge to arrange for a late test. There is an additional fee for late testing and the new date and time for your late test may take place after your OPS school year has ended.

If you find that you have a testing conflict because you have two or more AP exams on the same date, at the same time, you will need to come and see Mrs. Luehtge in room 237 (in the back of the teacher plan area) for a scheduled time to re-test.
