You are responsible for the security of your personal belongings and the care and upkeep of your locker.

**Lunch**

All Omaha Public Schools maintain a “closed campus” policy for lunch. Students may not leave the building. Listed below are regulations to follow during the lunch period:

1. Students may not cut or save places in the lunch line. Students should enter the cafeteria and be seated. Students must wait for their seating section to be released.
2. Food and beverages must be consumed in the cafeteria.
3. All other corridors, academic wings, stairways, and the second floor and lower level are off limits during lunch periods.
4. For the safety of all in the cafeteria, students must be seated.
5. All waste should be placed in the trash cans or recycling bins as applicable.

**PE Replacement**

Students who are involved in a high school team sport (one season) or Spirit Squad (one year) and would like to take an additional class, that otherwise he/she would not be able to take because of the PE credit graduation requirement, may complete an application for PE Substitution at the time of course registration for the next calendar school year. An approved application will replace (1) semester of PE for another elective class. If PE Substitution is utilized, the student is no longer eligible for class release or to have a study hall for their remaining time in any OPS High School.

**PE Waiver**

If a student enrolled in a PE course has an unplanned documented extenuating circumstance, (injury, illness, pregnancy, etc.) and all possible accommodations/alternatives have been exhausted, an appeal may be made to the Academic Director for a PE Waiver to allow a student to receive a PE credit during the time of the extenuating circumstance.

**Posters, Signs and Flyers**

All posters, signs, flyers, and materials must be approved by the Activities Director before they can be displayed or distributed. No distribution will be allowed during class time.

**Progress Reports and Report Cards**

**Progress Reports**

Student Progress reports are distributed at the middle of each grading period. Progress Reports are designed to let parents/guardians know how their child is performing academically. These grades (marks) are not final and do not appear on student transcripts. As always, parents/guardians can make an appointment with teachers or counselors in the event that additional supports are needed to improve the student’s progress.

**Report Cards**

Student report cards are distributed at the end of each grading period. Report Cards are designed to inform parents/guardians of the student’s level of proficiency in each course. For quarter-long courses, grades (marks) issued at the conclusion of the quarter will appear on the student’s transcript. For semester-long courses, grades issued at the conclusion of the semester will appear on the student’s transcript.
