Please wish the Dance Team luck as they compete at the state dance competition this weekend!

Today we continue our month of being Proud at Burke High School. “Here’s a quick joke – how can you tell if a bulldog is proud of their school? They PAWS what they’re doing and head to class before the bell rings! As we reflect on our Burke pride this month, remember that actions speak louder than words – your commitment to timeliness in all you do demonstrates your pride in yourself, your work, and your community. Join us in showing our pride by making it on time to every class this month.” Also, As a diverse school, we are Proud of our culture. As we celebrate Black History, and all of the people who have fought for change, we celebrate individuals like the Scientist George Washington Carver who developed 300 derivative products from peanuts among them cheese, milk, coffee, flour, ink, dyes, plastics, wood stains, soap, linoleum, medicinal oils and cosmetics.
