*Sign Language Club will have it’s first meeting Monday Sept 23 at 3:15 in room 203. If you want to learn sign language or support our hard-of-hearing friends/students, join us! See Ms. Eichler or Ms. Holm with questions.

*If you missed out on purchasing a 2019 yearbook, there is a limited supply of copies for sale at the Burke Book Store or in Room 113. The price is $55 and it is first come first served. When the supply is gone, so are your chances of owning the 2019 book. Make sure you get yours today before they run out.

*REMINDER: Please pick up your trays after lunch so other people don't have to.

*Two hundred and thirty two years ago, the founders of this great nation spent 10 months drafting a document that would become the foundation of democratic governments all over the world. Today, we take for granted that the United States exists — but in 1787, many thought it would have been impossible. The country was broke, Americans were rebelling, and its people
were divided over difficult issues. When Rhode Island ratified the Constitution on Sept. 17th, 1787 by only two votes, it set the course for who we are today.

*As we celebrate Constitution Day today, remember that what our country is and the people in it should never be taken for granted. Millions have given their lives to protect the fragile life we have here. As you go through your day today, remember to value the people and world that you live in. It may all be imperfect – but we can work together everyday to make it better than the day before.
