

# Burke Girls Basketball Youth Summer clinic

## Youth Basketball Skills Clinic

This clinic is designed to improve player's understanding of the game at the highest level possible. We will focus on the fundamentals of defense and offense through very specific drills and games. We will also build on athlete's ideas about what teamwork is and begin mentoring our future athletes. We want them to have an EAT mentality. EAT stands for Effort, Attitude, and Teamwork. We want all our players both current and future to understand these values and what it means to be a Bulldog. We will also have a ton of fun! There will be former and current players there each day encouraging your athletes to do their best and to help them learn skills that will enable them to reach their future goals in basketball. Coaches will also be at the camps teaching the fundamentals and some accelerated skills as well, preparing your athlete for competition in middle school.

### What to expect:

- Current and former players will begin building relationships and demonstrating our culture
- Current and former players assisting coaches with player development
- Challenging drills and games for:
  - Rebounding
  - Shooting
  - Ball handling
  - Defense
  - Passing
- Fun drills and games
- Competitive, but Caring atmosphere.
- Team competitions and games
